Please complete the declaration below and email to us at debbie@mrsburneysbeeclub.co.uk prior to your session.

Thank you for booking with Mrs Burney's Bee Club.

Please carefully read the information below and return the section at the end to us at the email address above.

We ask that your group follow the Covid 19 safety practices as outlined by the government including the use of hand sanitiser before entering the apiary and keeping a 2m distance wherever possible.

We ask that an adult accompanies the group and is responsible for the children's behaviour at all times. We love our bees but, if we are not careful, they do sometimes sting us. We have put lots of measures in place to ensure this doesn't happen on the day.

- There will be a briefing before we open the hives setting the behavioural expectations for the children. We ask that they are followed carefully otherwise children will be asked to leave in the interest of their own and everyone else's safety.
- All the children will be supplied with the correct PPE which will be checked thoroughly by a member of staff before they go to the beehives.
- We have a full first aid kit on site and a fully trained paediatric first aider will be always present.

All members of the group will need to wear:

- Wellies or similar boots that go above the ankle.
- Loose fitting trousers.
- Socks
- Long hair tied back.
- We recommend not to wear strong smelling perfumes or aftershave.

If any member of your group has a bee sting or latex allergy, please inform us by emailing the above address.

We hope you are as excited as we are about showing you our bees. If you have any questions or queries before the day, please don't hesitate to get in touch using the details at the top of the letter.

All the best,

Debbie Burney

Queen Bee @ Mrs Burney's Bee Club CIC
